

About PeopleWare

PeopleWare Staffing is a leader in contract and full-time placement services, specializing in the technology industry. For nearly 20 years, we have been an exceptional resource for employers and job-seekers alike.

An Outstanding Record

Successful technology-sector recruiting requires knowledge, experience, training, ethics and specialized skills. Through our unique **H²R/High-Hit Recruiting** process, we have consistently achieved some of the highest ratios of candidates presented-to-hired in the technology staffing industry.

Our services include:

- Contract placement
- Contract with option to hire
- Full-time placement – contingency and related searches
- Payroll services

Technology Hiring Specialists

Key technology professionals are required in every company today. We specialize in placing qualified candidates within the following industries:

- Technology
- Software
- Hardware
- Entertainment
- Media and Broadcast
- Medical
- Advertising
- Financial and Insurance
- Internet
- Mobile
- Green Technology
- Information Technology
- Companies Utilizing Technology

We stay current on the latest **staffing trends and technical tools**. And we hold ourselves to the highest ethical standards, pursuing the *right* fit, never a *forced* fit. We believe this is the reason for our long-term success, and why **more than 98% of our business comes from referrals**.

PeopleWare has been **recognized by industry peers** since our beginning, when we were selected to be on the *Los Angeles Business Journal's* list of Fastest Growing Private Companies. Through the years, we've consistently been featured on that publication's annual lists of:

- Top 100 Women-Owned Businesses
- Top 25 Temporary Placement Firms

Environmentally Responsible

At PeopleWare, we are proud to be a “green” company. All of our systems – from time cards to invoices – are paperless and energy-efficient. We have reduced our consumable costs by 96%. As we continue to evolve our green efforts while growing our business, we pledge never to lose the personal touch that has made PeopleWare the “go-to” technology staffing resource.
